Positioned in Stamford's historic town center, only a moments walk from the high street, is this four bedrooomed home. Having been in the same family since being built, the house has had many improvements over the years including a loft conversion and secondary double glazing. It is now requiring modernisation throughout with great potential for a buyer.

The property comprises; porch, entrance hall, living room, dining room, kitchen, utility room, w/c, three bedrooms and the family bathroom on the first floor, in addition to a further bedroom and shower room on the second floor.

To the rear of the property is a deceptively spacious south facing lawned garden, split over two levels.
